

To all,

18th, March, 2011

MS&AD Insurance Group Holdings

Donation to Aid-Tohoku-Pacific Ocean/Japan Earthquake Relief Efforts

We would like to express our sincere condolences to the families of the victims of the earthquake.

At the same time, we express our earnest wish for the earliest recovery of the region

MS&AD Insurance Group Holdings (President: Mr. Toshiaki Egashira), has raised more than 30 million yen cash donation from members of the group companies to aid emergency relief efforts in Tohoku region as of March,15. MS&AD Insurance Group Holdings will contribute the same amount of donation which members rose using “Matching Gift Program for Donation in the Event of Disasters”. In total, 60 million yen cash will be donated to Tohoku region for the initial contribution.

We had sent our donations today to support volunteers who are now working in Tohoku region. We will continue to ask for more donations.

Besides donations from domestic group companies, we are also receiving encouraging offers for donations from our overseas subsidiaries and branches, and are planning to raise donations from the overseas entities as well.

Matching Gift Program for Donation in the Event of Disasters

Under this program, the MS&AD Insurance Group matches the amount of funds collected from employees for

victims of disasters.

Types of disaster covered

Domestic: disasters covered by the Disaster Relief Act, for which donations are collected.

Overseas: larger-scale disasters for which the Japan Business Federation provides information related to assistance,

Amount of donations

As a general rule, the same as the amount of donations collected from employees.
