I. FY2006 Financial Summary

IOI

1. Key Financial Highlights ① (Key Income Data)

【Net Premiums】 Achieved Target & Maintained Growth Trend

【Ordinary income & Net income】

【Interest & Dividends Income】 Solid Increase of +21.5%

◆ Ordinary income continued growing due to a increase in asset management income which offset the shortfall in underwriting income

◆ Decrease in net income due to a lack of special factor which pushed up net income as we had in last year

- ※1 Unit : ¥ billion
- ※2 Excludes the impact of abolition of the state CALI reinsurance scheme
- ※3 Amounts of less than a unit have been discarded

1. Key Financial Highlights ② (Decreasing Trend of Loss & Expense Ratio)

【Net Loss Ratio】

Continuous improvement due to an increase in premium income, in spite of increase in claims paid due to additional claim payments and major natural disasters

【Net Expense Ratio】

Continuous improvement due to an increase in premium revenue

- ※1 Unit : %
- ※2 Excludes the impact of abolition of the state CALI reinsurance scheme
- ※3 Ratios are rounded up
- ※4 Including loss adjusting expenses

2. Financial Summary - FY2006

	FY2005	FY2006			FY2006 Plan (Company presentation in Dec 2006)
			YoY change	% change

2. Dividend Payout Policy to Stockholders

**III. Targeting to be
a Customer- Oriented Company
-Company Reform-**

IOI

1. Company Reform

“Being Selected as the Customer’s Choice” is Our Fundamental Goal since Our Business Mainly Rely on the Retail Markets

Lost of customers’ trust
 · Claims payments and underwritings

Restore customers’ trust
Enhancement of protection for our policyholders } **Top Priority**

Reforming administration, system, framework of business operation in all areas by reflecting customers’ point of view

Maintaining & Expanding Business Foundation

Gaining Respect, Trust, and Support from Customers

Foundation for Future Growth

“Being Selected as the Customer’s Choice”

IV. Mid-term Business Strategy to Establish a Foundation for Future Growth

IOI

1. Motor Insurance Strategy

◆ **Broadening customer base by implementing unique channel measures and product development**

- Strengthening sales capability through dealer and motor channels
- Strengthening cross-sell strategy more in addition to the current product strategy matched each channel

Enhancement of Unique Channel Strategy

Develop “Toyota-Market”

Develop Motor Related Markets

Develop Product Strategy Matched the Unique Channel Strategy

Reinforcement of Product “Top Run”

Promote switchover to “Top Run” by appealing features of product

Reinforcement of Competitiveness in IAP-F

Strengthening sales capability in motor related channels

Reinforcement of Product by Brands

Provide products which meet targeted customer through new brand concept

Expanding Profitability

Maintain customer base by raising retention rate coordination with cross-selling

Expand customer base by capturing new business

Provide insurance coverage matched customer needs in segmented markets

※Operating Result Basis

2. Platform Strategy (Cross-Sell of Products)

- ◆ Maintain customer base and achieve substantial premium growth by promoting cross-selling to the motor insurance customers
- ◆ Creating opportunity for cross-selling to motor insurance customers through expanding and strengthening platform product and improving function of agency system

* Total of Comp.home ins, LiveLead, Comp.traders ins, Comp. contractors ins & Comp. transporters ins

Effective to Maintain Our Customer Base

- ◆ Enlargement of sales of platform products would lead to an increase of retention ratio of motor insurance, which is effective to maintain our customer base

< Motor insurance retention ratio >

Without LiveLead	+7. OP	With LiveLead
88.4%		95.4%
Without comprehensive home insurance	+4. OP	With Comprehensive home insurance
89.1%		93.1%

Development of Tools Such as “Grasp needs” and “Easy to explain”

- ◆ Strengthening “Sales Promotion by Our Agencies” Support Instruments

By creating seamless streamline from readily understandable explanation to making contract which would lead to raise operation ratio of the agencies

Introduce “Sales Promotion by Our Agencies” support instruments by using agency system

- ◆ Strengthen capability of proposing platform that match customer needs

Providing best advice based on risk analysis and conducting review of policy terms and condition

Strengthen Cross-Sell Strategy Focusing on “Third-Sector” by Rebuilding Sales Structure

※Operating Result Basis

3. Long-term Fire Insurance Market Strategy

- ◆ Housing sector channel which can grasp customer needs in conjunction with their main profession is Aioi's strength -intention to strengthen-
- ◆ Provide unique long-term fire insurance products matching market needs
- ◆ Continued premium growth by making further efforts in establishing new agents

Sales of Long-Term Fire Insurance

- ◆ Expand sales of tailor-made products matching substantial customer needs

Development of Housing Sector

- ◆ Steady progress in establishing new agents through increased focus

※Operating Result Basis

4. "Toyota-Market" Strategy ① Domestic Markets

- ◆ Strengthen our insurance business that is indispensable to "Toyota-Value-Chain"
- ◆ Providing more products for "Toyota-market" by focusing on Lexus owners' motor insurance
- ◆ Increase market share by raising customer contact through activities of enhanced insurance administration

Provide Products for "Toyota-Market"

Assist Toyota Group Dealers to Strengthen Sales Capability

Unique support for Toyota dealers' sales activities

- Continuous activities in enhancing insurance operation to improve quality as well as efficiency of the sales operations, that will lead to a contribution of business expansion

(Unit: Sales outlets)

	FY2001	FY2002	FY2003	FY2004	FY2005	FY2006
Increase number of sales outlets (o/w Lexus)	98	80	96	73	206 (152)	54 (9)

Unique Know-How in Sales of Insurance

- Promoting car sales and insurance sales as a package through activities of enhanced insurance operation

Aiming for 40% market share in "Toyota-market" with top level premium growth

※Operating Result Basis

4. "Toyota-Market" Strategy ② Overseas Markets

- ◆ Achieving higher growth rates through F&I Business
- ◆ Enforce business platform by entering new markets and securing scale at early stages
- ◆ Target overseas premium income of ¥100 billion

Enforce Toyota Retail Market Strategy

【Europe】

- Targeting business commencement in Italy and Spain
- Consider entrance into Russia and Northern European Countries
- Boost sales volume by product diversification (Credit Life, GAP※)

【North America】

- Targeting F&I business commencement in Canada

【Oceania】

- Auto premium increase in Australia and Thailand through expansion of sales channel

【China】

- Enter auto insurance market through Guangzhou Guang Aioi Insurance Brokers
- Establish Tianjin branch and strengthen retail market business with local insurance company (partnership)

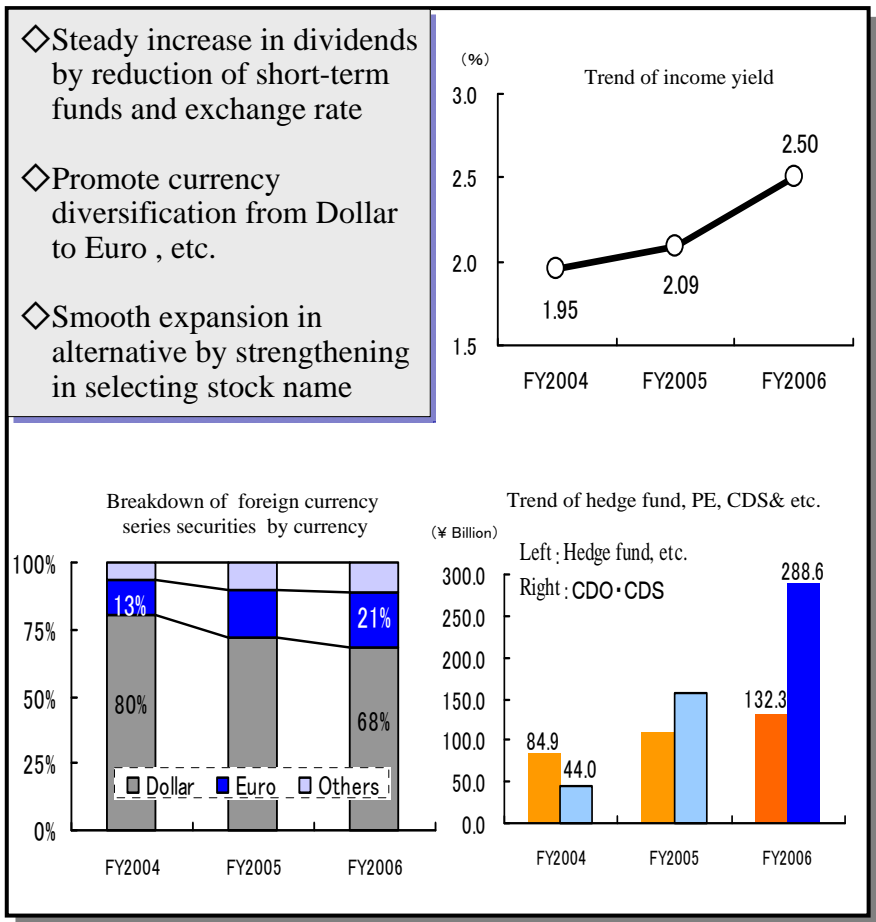

Enforce Profitability

- Stabilize loss ratio and improve productivity by premium growth
- Strengthen investment management skills

※GAP : Product that covers the difference between loan, lease remaining balance and auto insurance payment when write-off

5. Asset Management Strategy

- ◆ Growth trend in investment income through mainly dividend gross interest income
- ◆ Continuous expansion in investment income through recomposition of investment assets by strengthening non-traditional assets such as alternative investments, and enhance investment efficiency by replacing non-performing stocks
- ◆ Strengthen and sophisticate risk management that supporting asset management strategy

Basic Investment Policy

Financial investment

- Strengthen investments by taking credit risks such as industrial debenture
- Continue currency diversification by investing in mainly Asian stocks
- Strengthen alternative investments such as hedge fund, PE, commodity, etc.

Savings account

- Strengthen ALM control
- Reduce risk-weighted assets

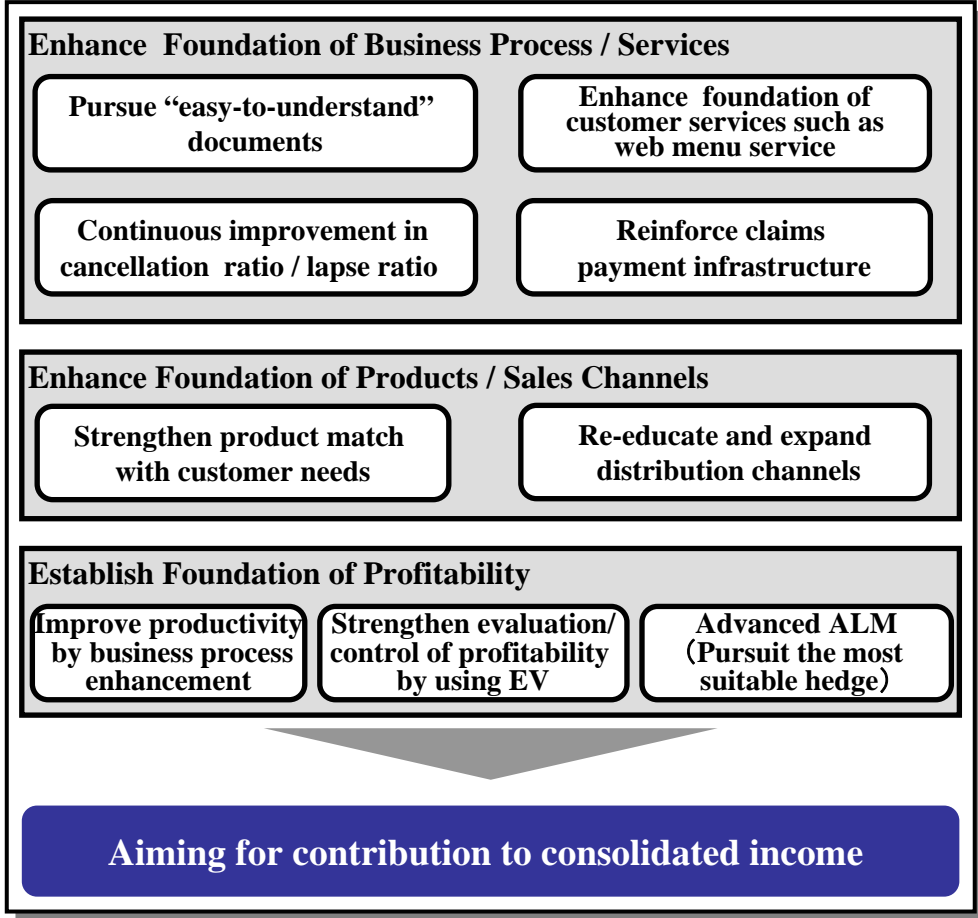

Strategic shareholdings

- Enhance investment efficiency by replacing non-performing stocks

Strengthen and sophisticate risk management that supports advanced asset management through newly introduced system and staff increase

6. Life Insurance Strategy

- ◆ Strengthen product line-up matching customer needs and reinforce sales channels by enhancing business process and services from customers' perspective
- ◆ Aiming for contribution to the profit as earliest we can by establishing high efficiency / productivity earning structure and strengthening management quality

V. Corporate Vision for Early FY2010's

IOI

With “Customer First”※ and “Customer Friendly” as a core concept, Aioi will provide customer with best protection and satisfaction through insurance activity. It is our ultimate goal to grow together with local society.

Provide “accountable, reliable, and supportive” products to all customers. Aioi will diversify our auto insurance knowledge which is our flagship product to all areas.

Aioi aims to become the #1 insurance company in both local retail and “Toyota-Market”.

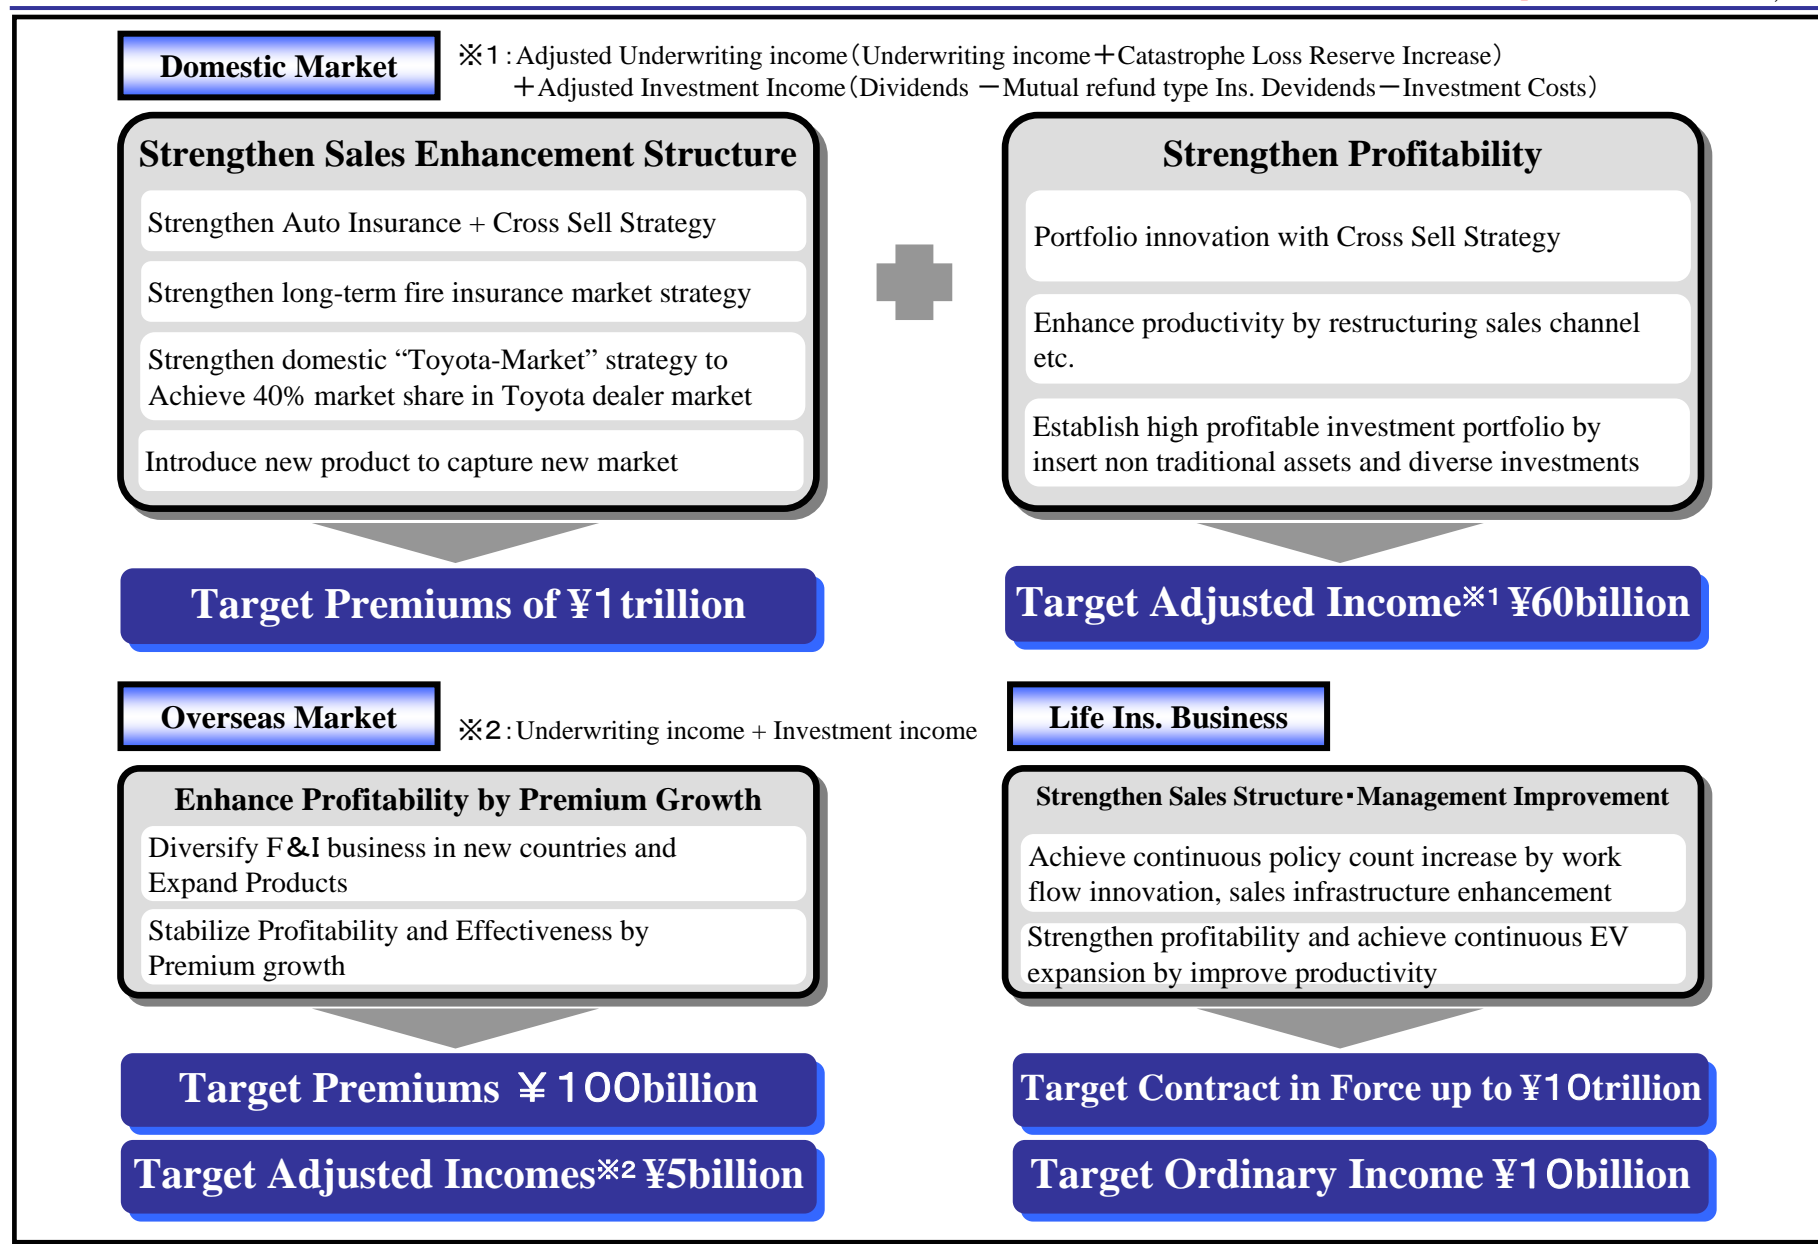

Enhance good partnership with high reputation agents and develop customer friendly sales structure

Achieve effective and productive Aioi Group management as our domestic non-life insurance business as a core, combined with life insurance and overseas business

We share views with all customers and we do our best to understand local society. We take pride in ourselves and achieve fruitful and ever-growing company group.

*Aioi always put our Customers first. This concept is reflected when we form our vision, strategy, and all business deeds. As a result, it is our goal to become a company that is very close to and understand the Customers.

2.Paths to Enhance Sales and Profitability
