The awards were established in 2013 by WICI Japan, the Japanese arm of World Intellectual Capital Initiative (WICI), responding to the spreading framework of integrated reporting and thinking proposed by International Integrated Reporting Council (IIRC) in Japan. The award ceremony will be held in conjunction with WICI Symposium 2018 at Okuma Auditorium of Waseda University on Nov 30th, 2018.

2. Award Received

Name of the award: **“The Best Integrated Reporting Grand Prize”**

Comments based on WICI Japan’s assessment were as follows;

“This is one of the best practices that a corporation presents its outcomes concisely through all practices based on the integrated thinking management, which enables stakeholders to foresee the company’s future business activities. In addition, this company makes every effort to enhance the report every year striving for a higher level of completion, which deserved the Excellent Integrated Reporting Prize three times in the past.
