## **MS&AD Named on the "A List" for the Fifth Consecutive Year in CDP 2021 Survey on Climate Change**

MS&AD Insurance Group Holdings, Inc. (President & CEO: Noriyuki Hara) has been recognized for leadership in corporate sustainability by global environmental non-profit CDP, securing a place on its prestigious 'A List' for tackling climate change for the 5th consecutive year.

CDP's annual environmental disclosure and scoring process is widely recognized as corporate environmental transparency standard. In 2021, over 590 investors with over US\$110 trillion in assets and 200 major purchasers with US\$5.5 trillion in procurement spend requested companies to disclose data on environmental impacts, risks and opportunities through CDP's platform. A record-breaking 13,000 companies responded.

### MS&AD Insurance Group and Sustainability

Climate change mitigation and adaptation is a priority issue for us whose mission is "to contribute to the development of a vibrant society and help secure a sound future for the planet, by enabling safety and peace of mind through the global insurance and financial services business".

With our revised mid- to long-term targets set in May, we are promoting our initiatives for Net Zero by 2050 aiming resolution of global risk "climate change".

Besides reduction of our own GHG emissions, we, collaborating with stakeholders like customers, insurance agents and investees, continue to support decarbonization of society through our business activities including insurance and consulting services.
